School Annual Education Report (AER) Cover Letter

Dear Parents and Community members:

We are pleased to present you with the Annual Education Report (AER), which provides key information on the 2016-17 educational progress for the Highland Park Renaissance Academy.

The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability and teacher quality. If you have any questions about the AER, please contact Rachel Brooks, prek-8 school leader, for assistance.

The AER is available for you to review electronically by visiting: www.hprenaissance.com. You may also review a copy from the school's office.

For the 2016-17 school year, schools were identified using new definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that has at least one underperforming student subgroup. An Additional Targeted Support (ATS) school is one that has three or more underperforming student subgroups. A Comprehensive Support and Improvement (CSI) school is one whose performance is in the lowest 5% of all schools in the state. Some schools are not identified with any of these labels. In these cases, no label is given.

Our school has not been given one of these labels.

Based on our school's AER report, our key challenges are low standardized test scores and most of all, our inconsistent attendance of our student population. We are striving to increase student achievement in all subjects for all grades through frequent progress monitoring, professional learning communities and data walls.

The mission of the Highland Park Renaissance Academy is to provide an opportunity for all students to learn in a safe atmosphere of academic excellence. Also, to create and maintain an environment that ensures, through high expectations, maximum professional commitment, and concerted effort by every member of the school community, that every student reaches a high level of academic achievement as determined by state and national standards..

State law requires that we also report additional school-site based information for the two most recent years:

Process for assigning pupils to the school:

Highland Park Renaissance Academy is a free, public school and adheres to all requirements outlined by its charter authorizer and federal and state law regarding enrollments. The academy does not charge tuition nor discriminate in admissions policies or practices on the basis of intellectual or athletic ability, measures of achievement or aptitude, status as a handicapped person, religion, creed, race, sex, color or national origin.

Current students are given the opportunity to re-enroll in late winter, with preference given to them and their siblings. In the spring, the school holds an advertised open enrollment period, during which any Michigan resident may apply. In the event that any grade is oversubscribed, a public lottery is held to determine enrollment and a waiting list

The academy identifies, evaluates and services all children in the school who may have disabilities. For more information regarding assistance for students with disabilities or if you suspect your child may have a disability, please contact the school leader.

The status of the 3-5 year school improvement plan:

Our school is progressing with meeting our goals within the school improvement plan. Our staff has implemented the Response to Intervention Program, which has helped us to focus on meeting the academic needs of all students. As we implemented the RTI Program, we focused on improving direct instruction in all subjects, through coaching, modeling and professional development. Effective direct instruction helps all students to learn and show progress. In addition, students in the bottom 30% have shown gains due to intensive intervention in reading and math, which is provided for 25-30 minutes for 3-4 times per week.

There has been a significant increase in the intervention and academic support provided for students that are at risk in reading and math. The significant increase in math and reading interventions has resulted in students showing growth in these subjects on our District Assessment (*NWEA/MAP*). There has also been a significant increase in staff and student discussions on improvement as well as student incentives designed to motivate students. This has resulted in students becoming excited and motivated about improving and demonstrating mastery on the district assessments.

The following positions are held by members on our school improvement team: school leader, instructional coach, reading specialist, reading interventionist, math interventionist, specialized service teachers, pupil support specialist, and general education teachers.

The most significant professional development activities that we have conducted are: RTI Implementation, Differentiated Instruction, Summative/Formative Assessments, Interpreting NWEA Data Assessments, Incorporating Technology into Instruction, Unit Planning, Common Core

Instructional Practices by Tiers and PBIS (Positive Behavior Intervention Supports) Practices, Text Dependent Analysis, and Google programs.

Status of the curriculum

Our mission and goal is to improve student learning and achievement in core subject areas. This will be accomplished by incorporating the Moby Max online program. This dynamic web-based curriculum management and design tool, results in a research-based curriculum, rooted in the Common Core State Standards. We also use quarterly benchmark assessments, using Focal Point k-8 online platform to assure standard mastery.

Parent-Teacher Conferences

Percent of students represented by parents/guardians at parent-teacher conferences:

2016-17: 342 students (68%) were represented by parents/guardians at parent-teacher conferences.
2015-16: 335 students (65%) were represented by parents/guardians at parent-teacher conferences.

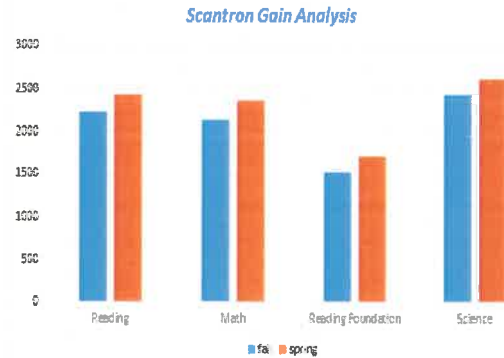

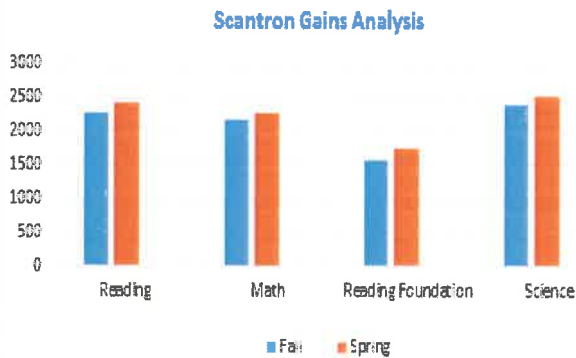

Aggregate Student Achievement

2015-16 (Scantron Gains):

Read	2287 to 2433
Math	2155 to 2305
Read Foundation	1438 to 1692
Science	2464 to 2522

2016-17 (Scantron Gains):

Read	2229 to 2431
Math	2142 to 2371
Read Foundation	1526 to 1711
Science	2438 to 2618

I would like to personally congratulate the staff, students and families of Highland Park on a successful school year. Thank you for choosing Highland Park Renaissance Academy for your child's education. We look forward to continuing to provide a quality education to you and your family.

Sincerely,

Rachel Brooks
School Leader
